# Office Memorandum • UNITED STATES GOVERNMENT

## CONFIDENTIAL

O&amp;T 57-031

TO : Chief, Engineering Division, OC

DATE:

18 JAN 1957

FROM : Chief, Operations and Training Division, OC

SUBJECT: Request for CV-1 Converters

1. The present Headquarters stock level of the CV-1 converter is zero. It is believed that a small stock of this item may provide insurance against possible "crash" requirements from the field. In this regard, it is requested that the Research and Development Laboratory construct six CV-1 converters.

2. A recent CV-1 evaluation report from  mentioned two items which might be considered for new models of the CV-1. These are: (a) the tuning knob should be more accessible and easier to tune. A raised tuning knob was suggested. (b) difficulties with the antenna lead shorting to the case. This may be a user problem rather than one of design or construction.
